This bill adds, deletes, or modifies a criminal penalty, or changes statute to which there is a penalty for violation. Therefore, this bill may have an impact on the judicial and correctional systems, which could affect prosecution, incarceration, probation, and parole costs, for the state, as well as county and local governments. A summary of such costs can be found at: [https://gencourt.state.nh.us/lba/Budget/Fiscal\\_Notes/JudicialCorrectionalCosts.pdf](https://gencourt.state.nh.us/lba/Budget/Fiscal_Notes/JudicialCorrectionalCosts.pdf)

The Fish and Game Department states it is unable to estimate the number of people who would use air rifles, therefore unable to estimate this bill's impact on revenues from the licenses or the required expenditures for creating licenses. The Department states it expects any impact to be immaterial (less than \$10,000 per year).
