

Nicole Hunter Ryan

13th Annual Cycling for a Cause

Sunday September 29, 2019

Rider Check in: 9:00 am

Group Photo 9:45 am

Departure 10:00am

This year we ride for Nicole Hunter Ryan. Nicole is a widow and proud mother of three children ages, 21, 12 and 8. She was first diagnosed with colon cancer and had surgery at the age of 40. Three years later her colon cancer has returned at an aggressive Stage 4.

Currently she is undergoing chemotherapy and clinical trials through Dana Farber Cancer Center.

While Nicole is attempting to work full time, due to the amount of necessary medical appointments she has, all her paid time off has been exhausted. Unfortunately, the time she can work does not enable her to support herself and her family.

This year our goal, with the help of Nicole's friends & family and our generous community is to help ease this financial burden. With our goal met we will be able to help Nicole focus on what's most important, continuing her relentless fight against cancer and enjoying time with her family.

Registration fee of \$35 can be paid on-line
Register before September 13th to be guaranteed a T-Shirt

oandosforacause.org

(\$40 day of the ride)

The ride will begin and end in the parking lot of
